[Classics Professor]

THE MOST KNOWLEDGEABLE AUTHORITY ON THE "ROSE CONTRACTS" WHICH BIND THE "DOMINION" AND HER "RHODE KNIGHTS". HOWEVER...

Ninufa [Guardian Beast]

HAS SAFEGUARDED THE CARDS EVER SINCE THE FORMATIONS OF THE CONTRACTS.

Yamamoto Schwartz

ANIS'S FATHER. APPARENTLY GAVE ANISE HER CHOKER WITH A VERY SPECIFIC PURPOSE IN MIND.

Summary

ONE DAY, HIGH SCHOOL STUDENT YAMAMOTO ANIS LOSES HER CHOKER, A PROTECTIVE AMULET GIVEN TO HER BY HER FATHER WHO WARNED HER THAT IF SHE WERE TO EVER REMOVE IT, A TERRIBLE PUNISHMENT WOULD BEFALL HER.

THE FURIOUS ANIS IS CONFRONTED BY THE STRANGE CREATURE RESPONSIBLE FOR THE LOSS OF HER CHOKER, AND IS FORCED TO KISS A MYSTERIOUS SET OF CARDS... SEVERAL MEN EMERGE FROM THE CARDS AT THAT VERY MOMENT WITH THE WORDS, "MY LADY, WHAT ARE YOUR ORDERS?" - AND TO ADD TO HER DISBELIEF, THESE "RHODE KNIGHTS" JUST SO HAPPEN TO BE THE FOUR MOST POPULAR GUYS AT HER SCHOOL!

YAMAMOTO ANIS, WHO WANTED NOTHING MORE THAN TO LIVE A PEACEFUL, INNOCUOUS SCHOOL LIFE, IS LEFT WITH NO CHOICE BUT TO WONDER IF THE SUDDEN TURN OF EVENTS IS SUPPOSED TO BE HER PUNISHMENT, AND IS IN FOR ONE MASSIVE HEADACHE OF A PROBLEM BUT UNBEKNOWNST TO HER, HER REAL "PUNISHMENT" HAS SOUNDLESSLY SNUCK ITS WAY BEHIND HER, WAITING TO STRIKE WHEN SHE LEAST EXPECTS IT...

THAT IS THE PURPOSE FOR WHICH I WAS CREATED.
...Guh...
HEY, KAE-IDIOT!!
PWEEE-

Only one puff left...
eat it now'n there'll be none.
Dis is a tough one...

From the sky?!
WHAT THE-!
BAM!
Dammit, I know those strings! You're with Black, aren't you!? What was that, wire action!?
Yeah, right, in your dreams!
And here I thought for sure I'd be able to get a good kick in while you were spacing out...
Well, that sucked!
ANIS!!
...!
...What do you want?
Have you come to laugh at the idiot who bought Blue's stupid, fake memories?
SHWIP

...And if I said I was?
.....
.....
Were you hoping I'd come to make you feel better?
NOT LIKE THAT!!
ALRIGHT, GRIT THOSE TEETH...!
.....
We don't have much time. If we want to save Seiran-kun, then we need to move past.
I'M SICK OF WAITING AROUND.
You know just as well as I do that this is no time for you to be sitting around feeling sorry for yourself,
Kaede.

I'll be the one to say it.
Come with me,
and together,
we'll complete
the True Contracts.
...What did you just...?

GRAB
Do you even know what that means!?
I don't care if he's waiting...!
JUMP
I told you, the True Contract!
Itsushi-sensei's waiting for us back in the library, so get a move on!
PLEASE, DON'T MAKE ME TURN BACK NOW.
I'll figure that out once we do what we need to, alright?
MUTTER
What about how I feel?
If you make the True Contract with the four knights and become their Dominion, then you'll be...
How you feel?
Oh... DAMMIT!

I'M....

SHWIPP!
SWISSH
ERK!!
YOUR BEHAVIOR IS UNBEFITTING OF A DOG.
SLIDE
Tenjoh-senpai!
Mutsuki!!
You seemed to be taking a while, so we came to see if you needed any assistance.

BLACK... YOU SON OF A...!
—kmph.
Lady Anis-
The seal's behavior is becoming increasingly erratic.
……!
We may be short one member at this point, but sensei has offered the suggestion that we three Knights...
should go before the seal and take take our oaths for the True Contract, as a precautionary measure...
GLANCE
チラ…
...But Kaede's against it... right?
……
Kaede-kun... From what I understand, you don't like it when people beat you to the chase, do you?
フフ。
CHUCKLE

From the moment I agreed to consign myself to the True Contract,
I, Tenjoh Mitsuru,
SWORE TO DEVOTE EVERY FIBER OF MY BEING AND EVERY OUNCE OF LOVE IN MY HEART TO THIS ONE END-!!
HUH
THE ROSE PRINCESS WILL BE MINE, MARK MY WORDS.
But if you still feel running away and abandoning your duty, then please, be my guest.
....WH-!
I never said anything about running away...!!
FWIP

—And it looks like Red here has cast in his vote as well-
FOR THE TRUE CONTRACTS.
...S... Seems like...?
WEIRD. IT MIGHT JUST BE ME.
BUT THE WAY EVERYONE'S TALKING ABOUT THESE "TRUE CONTRACTS"——————
IT ALMOST FEELS LIKE I MIGHT BE SIGNING ON FOR SOMETHING KIND OF DANGEROUS...

MINE NAME
BE ROSE WHITE.
MINE NAME
BE ROSE BLACK...
MINE NAME
BE ROSE RED!
HERE I RENEW THE VOWS OF MY TRUE CONTRACT.
ON THIS DAY, I HEREBY SWEAR
I CAN FEEL IT IN THE CARDS...
TO GIVE TO YE, MINE MASTER, ALL MINE SOUL.
THEIR THREE HEARTS, BEATING TOGETHER...
AND PLEDGE FROM NOW UNTIL THE ENDS OF ETERNITY MINE UNDYING FEALTY...

KNEEL
WE AWAIT YOUR ORDERS
DOMINION,

IT'S LIKE THERE'S A STORM...
RAGING THROUGHOUT MY ENTIRE BODY....
THE TRUE CONTRACTS
...I guess now...
We just have to bring back Seiran-kun,
and once he does his part of the contract, that means the seal will be good as new, right?
THIS IS BAD...
Forging the contracts isn't going to take care of all of it, you know. The imporant part is what happens afterwards.
Just tell me about it once we're done, okay?!
MY HEART'S STILL POUNDING.

LIKE A CURRENT PASSING THROUGH MY BODY.
Don't sweat it, guys!
It doesn't matter if we have to deal with the seal, or whatever else comes our way--
It's all guaranteed DEAD MEAT by the time we're through!!
Alright, let's go!!
BLUSH
There's no turning back now.
B-BUMP

Well, sensei, given our current situation, how long do you estimate the seal will hold before ..?
AN HOUR... AT BEST.
...An hour...
...Tha-
That's IT!? Why so fast?
...My guess is that Schwartz probably waited for the seal to reach this point before he sent Yellow into action. .
AH CRAP, I TURNED AROUND!!
GLINT
I GOT IT. RIGHT NOW,
FWIP!
...Alright, let's move! We're getting Seiran-kun back here, PRONTO!!

FIRST AND FOREMOST, WE STILL HAVE SOMETHING THAT NEEDS TO BE DONE.

...Anis-sama's...
initiated the True Contracts ...?
I FELT HER PRESENCE JUST NOW...
cough
SHUFF...
...You mustn't, Anis-sama...
Anything but that...

Are we...
in the right place?
I sense the presence of one of the Rosette contractors coming from inside the building.
but logic dictates he is most likely somewhere inside...
I cannot say for certain, as there's some sort of barrier which my search cannot penetrate,
Indeed we are...

Our enemy is at its core...
Surrounded by... traps, it seems, and likely quite a few of them...
If we base our assumptions from what we've seen of his abilities, it may be safe to assume he uses some sort of anti-gravitational magic...
Anti-gravi-what?
To put it simply, moving objects through, say, psychokinesis or teleporting through black holes and the like.
Don't pretend you understand!
Makes sense to me.
But putting that aside,
I do use protection magic, after all.
Worry not, we'll be here to see you off. You don't have to come back, of course.
That's not the way you're supposed to say it.
PULL
I'll take charge of safeguarding Lady Anis, so please feel free to lead the charge, Red Rose.
ALRIGHT! SIC' EM, KAEDE!!
I AM NOT, DAMMIT!!
LADY ANIS, YOUR DOG IS AWAITING HIS COMMAND!!

Okay, guys...
I'm trusting you all to stick to the plan I talked about...
Once we get inside,
Use the "FIGHT WISELY", AKA, "EVERYONE DO YOUR BEST!" strategy however you think works best!
SWING!
The Show no Mercy setting would totally suck me dry!
So now we're playing Dragon Q[illegible] huh
CREAK
HOLD ON, SEIRAN-KUN, WE'RE COMING FOR YOU....
AND THAT GOES FOR YOU, TOO...

SLASH!

SLASH
.Tsk
We're left with no other options...
I was hoping we wouldn't have to resort to this, but I'm afraid we have no other choice.
Huh?
SHUT UP...!!
I'm cutting down everything he throws at us, but I seriously don't think there's an end to this crap!
DA-DAA!
LET US COMBINE!!
Don't say it like that!!
DO WHAT !?
That sounds kinda... Eww...

There! That is the weak point in his defense!!
Now, then...

But you know what?
I'm fine with you just the way you are, lamer or not.
I...
...Ngh!
COUGH
SINK
I figured you wouldn't listen to me unless I did it like that.
STAND
Come on, let's not fight anymore...

Things are gonna be different this time around.
I'll make sure a sacrifice will never have to be made for that seal ever again;
and that's my promise.
So please, don't cry anymore...
DRIP
RUB
.....
...Haruto, give Seiran-kun...
You're too late...

He was gone just beforeyou guys got here...
He's probably headin' straight for the seal...
...He intends to repair the seal by giving his life as its sacrifice?
Oh no, don't tell me...
He already escaped on his own...
SEIRAN-KUN...!!
RUN

MUTSUKI, TAKE ME THERE!!
TAP
TAP
You're free to choose for yourself whether or not to believe what I'm about to tell you..
But two hundred years ago...
at the news that his dear friend, the Red Rose, was to be crowned the True Rose,
The Yellow Rose was consumed by jealousy.

He attempted to destroy the seal.
...However, in the end,
the seal could not be destroyed,
yet despite his acting to the contrary, he had never run from his duties as a Knight...
So the Yellow Rose willingly offered his own soul as sacrifice to atone for his wrong doing...
...At least,
that's the story I heard from a man who claims to have been alive these past two hundred years,
so frankly, I'm not sure whether or not to believe it myself.

I have no sympathy for either the Blue Rose or the Yellow Rose of the past.
Though we Rhode Knights may differ in color, we are one and the same in that we are each sworn to devote everything that we have to the Dominion.
It is because of that Pact ..
that you should be proud to carry the same name as he.
You and me... We're gonna settle our fight sometime later, you got that?
HOWL

SEIRAN-KUN...!!
Mutsuki!! Use your strings and try to dam up the hole for a while!!
SHWIFF
THE SEAL'S ALREADY BROKEN DOWN SO MUCH...!!
I can see that!!
Seiran's trying to...!
Anis-kun!!

SEIRAN-KUN!
SEIRAN-KUN, WAIT!!
THE WIND'S SO STRONG, I CAN'T GET ANY CLOSER...!!
Anis-sama...
You can't complete the True Contracts...
I... I don't want to make you go through that, Anis-sama!
DON'T GIVE ME THAT!
Who cares what I have to do? Killing yourself for that seal would be even worse!!
ANSWER MY VOICE.
SEIRAN-KUN!!
LET IT REACH!
Besides,
I ONLY WANT TO FREE YOU ALL FROM THIS STUPID LOT DESTINY'S GIVEN YOU.

RUSH
Where'd you get a stupid idea like that...
Seiran-kun...
WHOEVER SAID THEY WOULDN'T FORGIVE YOU...!?
KAEDE
!!
It's too late for me to ask for forgiveness...

SEIRAN-!!
DON'T PUT THIS ON SOMEONE ELSE!!
I have to...
For Anis-sama...!
I need to be punished for that... I WANT to be punished!
But I've been lying to you all this time, Kaede...!
...!
Then apologize.

Just two words, that's it. Just say, "I'm sorry," and that'll be enough for me.
Apologize!!
Hell, we're supposed to be friends, remember...?

DASH
Kaede...!
!...!
Seiran...
WOOSH!
WUH...?

GRAB
YOU WENT FOR HER!?
...ANIS-SAMA!!
SEIRAN-KUN————!!
Thank you so much,
and I'm sorry....
Every-one...
Kaede...
...Uh, sure...
I-I mean...

You guys are hangin' over each other way too--
EH!!!
IT'S DRAGGING ME IN...
WAAP
SHWOOP
DOES THIS MEAN...
THE NEXT SACRIFICE FOR THE SEAL IS GOING TO BE... ME...?

I guess this is just as good an excuse as any...
to show you some'a my finer points, though...
!?
HARUTO...!!
CRASH!
Come on, Anis... I thought I was supposed to be the stupid one...
I've betrayed and lied to you...
And I want to be punished for it...
CRUMBLE

GRAB
FOOSH
Well, guess I'll be seein' ya.
LISTEN, ANIS...
I really did love you, Anis...
Just the way... you've always been...
PUSH

HARUTO...
YOU DON'T HAVE TO FORGIVE ME FOR I'VE DONE, JUST AS LONG AS YOU REMEMBER THIS:
YOUR PUNISHMENT ——— ISN'T OVER YET.

Now that you've completed the "True Contracts,"
the amount of the Dominion's blood consumed by the knights' abilities has already decreased substantially, but those outfits will be able to increase their efficiency to an even higher degree.
You see, the knights' regalia are a certain kind of magic item.

.....

You guys... You already knew, didn't you...?
RUMBLE
I can't believe you made the contracts WITHOUT knowing...
Well, too late for that now, isn't it?
There's no turning back now~
.....
EXTREME OUTBURST OF ANGER!!!
I'M SORRY, I REALLY AM!
But we really shouldn't be concentrating on that right now-
IT'S HOW TO REBUILD THE DEVIL'S SEAL!

Ah……
DID YOU SAY SOMETHING ABOUT THAT?
No! Like I was telling you yesterday,
The contracts alone aren't enough to do the trick - what's important is what comes AFTER that!
You said the seal would be repaired once we made the True Contracts, didn't you?
Sure, it still looks a little shakey, but...
EVEN AFTER SUCKING HARUTO INSIDE...
FZZT
Alright, FINE!
I will not
Just listen to me this time, would you!?
Be discouraged!
By making your presence as Dominion known via the True Contracts,
the Devil's Seal has been placed into a state of suspended animation.
What you must do now in order to restore the seal to equilibrium...
LEAN

Is to search out these fragments,
pieces of the original seal which were blasted away throughout the period of its deterioration,
and use them to seal up the cracks formed in their place.
What I mean by the seal's fragments...
are the crystallized remnants of the original Dominion's magical power; specifically, the one who created the Devil's seal.
Not quite. This is just an ordinary rock.
You mean... those pieces of rock?
PIECES... OF THE SEAL...

Anis-kun,
You mentioned something about the Rosario cards chasing you all through town, didn't you?
Ah... Yeah,
It was so weird. No one else seemed to think anything was wrong with the cards showing up everywhere.
The fragments of the seal have blended into the world in a sense similar to that...

In the form of the "Arcana Cards."
ANOTHER CARD...!
The symbols of the First Dominion's magic must have been cards
I guess... So everything's a card then, huh?
How-ever,

Due to their magical properties, the Arcana cards bear a different effect on the real world.

Their presence alone creates a strain on their environment,

which will undoubtedly cause people, things, and the like to act eccentrically, as well as inciting all sorts of other trouble.

You may encounter other enemies who are hunting for the Arcana Cards to use for their own gain, as well.

ENEMIES

As long as you're able to find and recover the Arcana cards without a hitch,

you'll be able to return the Devil's seal to its true state of equilibrium.

using the fragments of the seal to repair the cracks,

Anis-kun, now that you've become the Dominion
that is what you and the Knights must do.
What I...
can do...
B-BUMP
.....
B-BUMP
Are you listening? Hey, did you get all that?
I don't expect you to understand all of it, but just a little of all I'm asking for...

GO AHEAD, ANIS-KUN!!
UM...
If we rebuild the seal...
That thing you were talking about...

As long as we rebuild the seal first, I won't have to go through with that... right?
THE "ENGAGE"?
aka mock marriage
Yeah, THAT!!
and stop blushing!
BLUSH
BUT DAT FROLLY...
GOOD ENOUGH FOR ME!!
ALRIGHT!
then I guess you'd be freed from your tenure as a Dominion.
Good question... Well, if you did somehow manage to rebuild the seal without advancing with any of the Knights to the final level,
She finally understands!
Yes, yes!
I DUNNO—
I AM DEFINITELY, ABSOLUTELY, POSITIVELY GOING TO HUNT DOWN THOSE ARCANA CARDS,
AND I'LL REBUILD THAT SEAL MYSELF IF I HAVE TO!!
THAT'S RIGHT! I WILL ABSOLUTELY...

THERE'S NO WAY I'M GOING TO DO ANYTHING LIKE THAT...

I'm serious, you have no idea what this man's capable of

You understand...?
You, as the Black Rose, must.... The Rose Princess...
The particulars of the Rosette contracts are engraved into our souls.
They cannot be forgotten...

ANGER
LIKE A FROG WAKING UP AFTER HIBERNATING FOR THE WINTER.

Then... Mutsuki...
All that stuff about me being the "Dominion," did you just make that up on the spot?

Promise me this...
BUT I WONDER...
WHO... COULD THAT HAVE BEEN...?
!
Well...
I would have to say it seems part of Mutsuki's memories have been locked away.
.....
Memories which may have had something to do with the reason he, descendent of the demon race of Dark Stalkers, was put to rest in a coffin for so long.
You seem to know an awful lot about Mutsuki, Tenjoh-sempai...
Or he simply could have been talking in his sleep.
This is Mutsuki we're talking about after all
Since the completion of the true contracts, I've felt my old powers return, slowly but surely...
That's great!
Oh! Then maybe that means
your memories will come back as we collect more Arcana cards!
Oh right! Speaking of looking for the Arcana Cards!!

For now, I think we should stick to the area inside the campus and start looking around for anything during break and after school.
THE ARCANA CARDS...
SCRAPE
The seal's right here anyway, so I figure we'll look around the immediate area and see if any of its pieces fell nearby.
WE HAVE TO COLLECT THE SCATTERED FRAGMENTS OF THE MAGIC SEALING THE GATE TO RETURN IT BACK TO NORMAL.
CLAK
Searching, eh?
REACH
Then I will use my powers again and...
FWIP
Thanks, but no!

We're just looking around school! There's nothing wrong with doing it on our own!
Besides, last time was just an emergency, so don't get used to it!
YOU CAN FORGET DOING SOMETHING THAT EMBARRASSING TO ME EVER AGAIN!
But Lady, there is still the matter of the "voice-user" we dealt with earlier.
I feel it would be most prudent if you were not to be alone for the time being, even on school grounds...
SCRAPE
Guess there's not much of a choice...
I'll stick with her for a bit.
Hmph...
If you really want to hang out that bad, be my guest...
I'll come with you as soon as Itsuka-sensei's finished with his trip tomorrow...
Thanks
.....

Lady Anis certainly seems to be getting along well with Kaede-kun.
You aren't following her? That's quite unusual for you.
And compete for her affections?
CHUCKLE
Actually, it was my intention to leave such immature behavior to Kaede-kun.
...The feelings I have for her aren't quite so simple.
I'm sure you're the same way.
.....
LIKE I SAID...

All you're doing is following me around
THERE'S NOT MUCH OF A POINT TO LOOKING AROUND IF WE'RE JUST GONNA STICK TOGETHER THE WHOLE TIME!
I told you it was too dangerous for you to be alone with an enemy wandering around school, didn't I?
BUT IT'S BAD FOR EFFICIENCY IF WE KEEP WANDERING AROUND TOGETHER! I MEAN...
It's weird!!
WHAT PART OF THIS IS WEI-
IS THAT ANIS!?
GREAT, NOW LOOK!!
Hey, What's up? What're you doing here with Kaede?
What are YOU guys doing here, Nana-chan? This is the second-year's hallway!
Er... Um...
What's everyone hanging around that classroom for?
SLIDE
Ah! They're coming!

Huh? Who're they?

Their first CD only just debuted not too long ago, so you probably haven't heard of them yet,
but they're gonna be HUGE, I know it!
I'll bet you're totally desensitized to hotties by now, Anis...
Between Tenjou-senpai and Seiran-kun, hey am I jealous of you
Word around school is that they transferred in just a little while ago, but work's kept them so busy lately they haven't had a chance to come to school...
WAH... I GOT TO SEE THEM... IM SO LUCKY!
They look pretty normal to me.
Idols, huh...
I doubt they'd want to hear that coming from you, Kaede.
UH...
Well, I can't deny it... Thanks to being around the Rhode Knights so much, I've built up a resistance to sparkly things...
SPARKLE

KISS OF ROSE PRINCESS

I don't need THAT many.

This time it will be 3 pages.

Are you just trying to give me joke material!?

KY tendencies in full swing, as usual.

KY Kuuki Yomenai (Inability to pick up on the mood of a situation)

Lady M the editor and S (Shouto)

SO POPULAR IT GETS A THIRD RUN!!

And since the last installment was only one page.

So the people we work with say

Lady M, the editor

This is starting to turn into a series!

...by falling down the stairs. While protecting my hand from harm, I sacrificed my left ankle in the process...

Slip

Snap!

BROKE A BONE

Moving right along, in between volume two and volume three, Shouto accidentally...

BARAKISS WILL BE TAKING A BREAK THIS MONTH DUE TO AUTHOR'S HOSPITALIZATION..

I'm sorry... I'm so sorry...

I can't do anything but play video games now that I can't get up.

Loser

Beep

Beep

And just like that, I was admitted into the hospital (for the first time), and it took three whole months to (fully) recover from the operation!! Bed-ridden the whole time...

A second of prevention is worth a pound of cure, as they say...

It's hopeless. Done for, all of it.

Ice pack

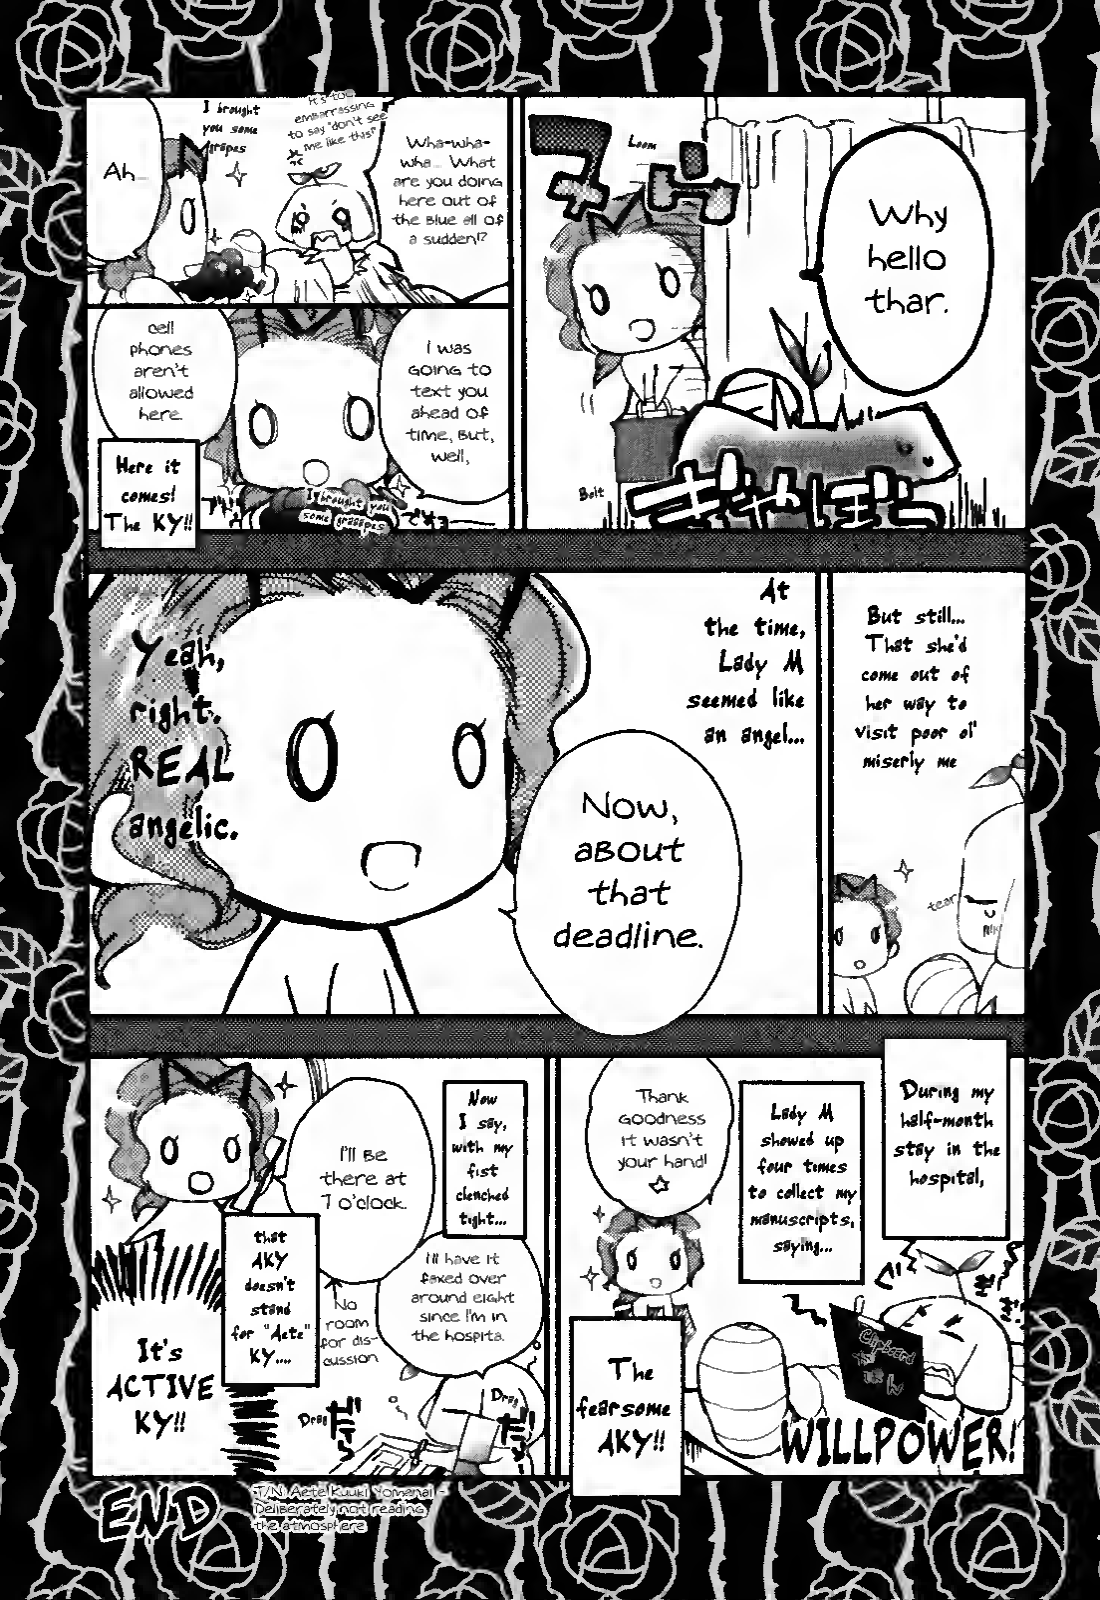
Ice pack

Bam

I rode in an ambulance for the first time in my life...

It's broken.

It's not broken is...



Ah...
I brought you some grapes
It's so embarrassing to say "don't see me like this"
Wha-wha-wha... What are you doing here out of the blue all of a sudden!?
Cell phones aren't allowed here.
I was going to text you ahead of time, but, well,
I brought you some grapes
Here it comes! The KY!!
Loom
Why hello thar.
Bolt
Yeah, right. REAL angelic.
Now, about that deadline.
At the time, Lady M seemed like an angel...
But still... That she'd come out of her way to visit poor ol' miserly me
tear
It's ACTIVE KY!!
that AKY doesn't stand for "Aete" KY....
I'll be there at 7 o'clock.
No room for discussion
Now I say, with my fist clenched tight...
I'll have it faxed over around eight since I'm in the hospital.
Drag
Thank Goodness it wasn't your hand!
The fearsome AKY!!
Lady M showed up four times to collect my manuscripts, saying...
During my half-month stay in the hospital,

■ Volume three! What do you think? Came out a lot faster than I was expecting this time. I did my best~ Even if I wanted to be lazy. It's thanks to all of your support that we've made it this far. Thank you so much.

■ Last volume I asked everyone to send in ideas for Ami's casual wear, but all of the entries were so cute I couldn't settle on just one. Instead, this outfit has a combination of two designs sent in by two different people. Kind of dressy, isn't it? (Thanks to Y.H-san from Gifu and R.S.-san from Tokyo!) Keep submitting those casual-wear ideas and your thoughts my way, guys! (I'm sorry I've been so late in replying to your letters, but I've got a special postcard in mind for all of you who send one; wait just a little longer, please.)

■ And now you can finally purchase volumes one and two of the BareKiss drama cds from the folks at Marine Entertainment! A fantastic cast of talented voice actors and actresses have lent their voices to this project, so be sure to check it out, by all means. Visit Marine-san's website for more details!

■ I draw BareKiss every month for readers' enjoyment in Asuka magazine, so you'll find all sorts of cool things in an issue, like color pages or special goodies, so if you enjoyed the published volume, please try picking up a copy of Asuka magazine~ It's published on the 24th of every month.

■ I look forward to your support in the future, as well. It won't be very long before volume 4 hit's the shelves. "That blue kid" is going to be on the cover! See you next time~

"SUDDENLY IT ALL MAKES SENSE"
(This comment brought to you by a spazzy Melfra, immediately after QC.)

Translation Note: You might notice that both Selran and Tenjoh have referred to Schwartz using "Mr" which is probably setting off alarms in all of your heads right now. The thing is, they use the suffix "shi" to refer to him which, I noticed after an impromptu poll of our forum members, was a term almost no casual readers were familiar with. "Shi" is used to refer to professionals, and "Mr" is therefor an accurate translation, moreso than the older standard translation of "san."
